MONTAGE

1. Identifiez et étalez toutes les pièces nécessaires pour le montage.
2. Fixez l'extrémité des montants à la plateforme inférieure à l'aide des vis. Ne serrez qu'une (1) seule vis à chaque coin pour vous assurer que les montants sont à niveau et stables. Serrez ensuite la deuxième vis. (Voir Figure 1)
3. Répétez l'étape 2 pour la plateforme supérieure. (Voir Figure 2)

4. Insérez les séparateurs de carton dans les trous au long du bord des plateformes. Utilisez les séparateurs de 14 po sur la plateforme supérieure et ceux de 20 po sur la plateforme inférieure. Fixez la rondelle et l'écrou freiné aux extrémités filetées des séparateurs de carton. (Voir Figure 3)
5. Retirez les pieds en caoutchouc des extrémités des montants et insérez les roulettes en option. (Voir Figure 4)
