1. Lay the display flat with the widest part of the display closest to you. (See Figure 1)
2. With the kraft side of the display facing up, fold the angled sides in, locking them into place. (See Figure 2)
3. Fold the extended strips down and the notched strips in to align and interlock with one another. (See Figure 3)
4. Fold the long extended piece around the folded-in and notched strips to form the display base. (See Figures 4-5)
5. Fold triangular side flaps all the way in so extended piece fits between side panels. Fold the first score down so the extended piece points toward the inside back panel. (See Figure 6)
6. Push the remainder of the extended piece into the base of the display. (See Figure 7)
7. Add header to the top of display. (See Figure 8)

1. Coloque el exhibidor plano con la parte más ancha más cerca de usted. (Vea Diagrama 1)
2. Con el lado kraft del exhibidor mirando hacia arriba, doble los lados en ángulo hacia dentro, trabándolos en su lugar. (Vea Diagrama 2)
3. Doble las tiras largas hacia abajo y las tiras con muescas hacia dentro para alinearlas y entrelazarlas unas con otras. (Vea Diagrama 3)
4. Doble la pieza larga alrededor de las tiras plegadas hacia dentro y con muescas para formar la base del portafolletos. (Vea Diagramas 4 y 5)
5. Doble las solapas triangulares laterales completamente hacia dentro de forma que la pieza larga encaje entre los paneles laterales. Doble por la primera marca hacia abajo de forma que la pieza larga mire hacia la cara interior del panel trasero. (Vea Diagrama 6)
6. Empuje el resto de la pieza larga hacia la base del exhibidor. (Vea Diagrama 7)
7. Agregue la pestaña a la parte superior del exhibidor. (Vea Diagrama 8)

1. Placez le présentoir à plat avec la partie la plus large du présentoir le plus près de vous. (Voir Figure 1)
2. Avec le côté kraft du présentoir orienté vers le haut, pliez les côtés inclinés vers l'intérieur pour les verrouiller en place. (Voir Figure 2)
3. Pliez les bandes allongées vers le bas et les bandes crantées vers l'intérieur en les alignant et en les emboîtant l'une avec l'autre. (Voir Figure 3)
4. Pliez la longue partie allongée autour des bandes pliées et crantées pour former la base du présentoir. (Voir Figures 4 et 5)
5. Pliez les rabats latéraux triangulaires vers l'intérieur afin que la partie allongée se glisse entre les panneaux latéraux. Pliez la première découpe vers le bas afin que la partie allongée soit orientée vers le panneau intérieur arrière. (Voir Figure 6)
6. Poussez le reste de la partie allongée dans la base du présentoir. (Voir Figure 7)
7. Ajoutez l'en-tête à la partie supérieure du présentoir. (Voir Figure 8)
